Dear Mr. Youngblood,

Thank you for your recent letter to the U.S. Patent and Trademark Office (USPTO).

The USPTO is unclear regarding your request and is returning your letter. Following a review, it appears that your concern is not within the jurisdiction of the agency.

The USPTO does not provide legal advice and recommends that individuals retain the services of an attorney to handle their legal concerns. You may wish to contact the California State Bar Association at (415) 538-2000 for further information on licensed attorneys in your state.

If you need any additional assistance with patent and trademark information, please call the USPTO Contact Center at 800-786-9199.

Sincerely,
